
The Venture Match process

Company Screening

Review and in-depth analysis of your company, market and competitors. Initial scan investor network.

Preparation and Pilot Fishing

Advice on the creation of fundraising materials, dry run of your investor pitch and pilot fishing.

Structured Investor Matching

Identification of suitable investors and structured deal introductions based on agreed shortlist.

Investor & Founder Introductions

Individual meet-up and deal moderation through our Venture & Growth Financing specialists.

Transaction

Transaction is closed, secured exchange of documents and reportings.
